

VIM MEMBERSHIP WILL INCREASE 10 JULY 2010

PURCHASE ONE NOW!

VIM (VERY IMPORTANT MEMBER)

Any member in good standing whose membership dues are paid for the current year may become a VIM member, the National Headquarters Auxiliary Life membership program. The membership status must be verified and application signed by the unit secretary to be valid. A VIM application can be obtained by clicking on the VIM application link located below.

The member purchases a VIM membership with a one-time lump sum payment. A VIM membership also may be purchased as a gift for a member. **The cost of the VIM membership is based on two factors: age of the member and the unit dues amount at the time the application is processed.**

Requirements

- Senior and Junior members having a valid membership card for the current year may become a VIM member.
- Members whose dues are **not paid for the current membership year** are considered delinquent and must pay current dues to their Unit before becoming eligible. Current year dues payments must be reflected on the National Headquarters database before VIM applications can be processed.
- Applicants must complete, in full, Section 1 on the VIM application. The VIM rate chart, on the back of the application, is used to determine the VIM membership fee. If the VIM membership is purchased as a gift, contact the Unit Secretary to confirm required VIM fee.
- After completion, submit application and required VIM fee to the Unit Secretary.
- After the VIM and payment are processed at National Headquarters, the VIM member will be issued a plastic VIM card. Allow 4 to 6 weeks to receive your new card from National Headquarters.
- The VIM member will continue to receive the annual membership card for the given membership year which will also identify her as a VIM member.

CONTACT THE UNIT SECRETARY, SUE MASTEN OR MEMBERSHIP CHAIRMAN, SHARON DOTTERER FOR THE APPLICATION OR GO TO THE NATIONAL AMERICAN LEGION AUXILIARY WEBSITE. PHONE NUMBERS AND LINKS CAN BE VIEWED FROM OUR WEBSITE: unit526.com
